ABOUT ME

I am a dynamic and flexible person, easily adapting in new work environments. I describe myself as being a talkative person with good teamwork skills, which have been gained through my participation in several Internships and successfully implemented projects during my bachelor period. As a fresh graduate, I expect my new job to offer me the opportunity to consolidate the knowledge I've achieved not only on the years of study but also on the personal level. Furthermore, I am willing to learn new things in order to gain a better knowledge.
